

23/09/2021

Attendance : Megan Soo, Wai Lam Wong, Laura Vander Slott, Che Yao Bong, Seth Ng

What we did/discuss :

- Continued working on our code
- Mean might not be the best metrics to use
- Testing out percentile
- Working on the 200 word checkpoint
- Decided to use past and future prices method
- Meeting on Monday night → go over approach document

28/09/2021

Attendance : Megan Soo, Wai Lam Wong, Laura Vander Slott, Che Yao Bong, Seth Ng

What we did/discuss :

- Tried a new algorithm
 - Building on checkpoint 3
- Akira read our checkpoint approach as well as our alternative one of using 10 future periods (Average) to determine whether to charge/discharge
 - Rendered 121 mil → decided to go ahead with this one after comparing at other approaches
- Meet on Thursday (30/9) to work on bonus task and presentation.
